

**THE ROCKERBOX NEWS WEEKLY QUIZ =
QUALITY FAMILY TIME +
QUALITY LITERACY LEARNING**

Learning and sharing as a family is one of the very best ways to encourage and inspire healthy reading habits. And with our weekly quiz, planning quality family time that's both FUN and EDUCATIONAL just got A LOT easier.

Read on to learn how and why to use Rockerbox News Quizzes for effective, enjoyable family learning.

**BOOST READING
COMPREHENSION:**

- Rockerbox News quizzes are based around articles from the previous week. This encourages learners to consolidate their knowledge and develop attentive reading habits.

TRY AT HOME: Remind your learners about the quiz and encourage them to keep their eyes peeled for key facts, dates, and figures. Encourage them to start a 'fun facts' journal where they can write down possible answers.

**TEST AND IMPROVE LEARNER
RECALL:**

- Stimulating your memory is an important part of active and efficient learning. Rockerbox News quizzes help test a learner's recall in a fun way.

TRY AT HOME: See if any quiz questions are from articles your learner has read. Ask them the question without looking back at the article. Open the article and see if they got it right. If not, discuss what they could do next time they read an article to remember the key points?

DEVELOP RESEARCH SKILLS:

- For younger readers, Rockerbox News quizzes encourage them to develop and enhance their research skills.

TRY AT HOME: Guide your learners to methodically scan questions for relevant information and help them to find definitions of any words they don't understand. Search the Rockerbox News platform for key words to narrow down your quest for the quiz answers.

**A TOUCH OF COMPETITIVE
SPIRIT DOESN'T HURT**

- By making the Rockerbox News quiz something the whole family is part of, it'll never feel like learning.

TRY AT HOME: Create family quiz teams or set up a healthy competition between you and your child each week. Learners can develop their teamwork skills, and a healthy competitive spirit.
