

Get in touch about our FREE EAL programme for all primary and special schools.
We're proud to support the learners identified as needing it most.

5 ESSENTIAL WAYS TO SEE TANGIBLE IMPACT FOR YOUR EAL LEARNERS

Research shows that EAL learners have been catching up post-pandemic at just two-thirds of the speed of other students. That's why we are providing Rockerbox News **FREE** for your school to support **EVERY EAL LEARNER**, their parents, and your teachers for the whole 2021/2022 academic year.

PERSONALISED LEARNING

We understand that the needs of EAL learners vary greatly.

- Multiple learning journeys in Rockerbox News facilitate different learning styles
- Unique profiles empowers teachers to send targeted tasks directly to individual students

FUN, BITE-SIZED & POSITIVE CONTENT

Research shows that language competence of EAL learners correlates directly with their overall performance

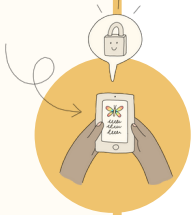

- All Rockerbox News content is levelled by Key Stage 2 educators
- Vocabulary lists and Knowledge Checks ensure comprehension
- Listen Alouds aid pronunciation

FAMILY ENGAGEMENT

We triangulate learning between parent, teacher, and learner.

- Rockerbox News is accessible on any device
- Push notifications and automated parent emails
- Access at school, at home, or even on the move

TEACHER WORKLOADS

Personalised learning doesn't have to mean a heavy, manual workload for your teachers.

- Our dedicated resource portal offers additional curriculum-complementing activities
- 60 second set up and single click task assignment

LEARNER, SCHOOL & TRUST REPORTING

Easily report on student progress with our simple-to-use reporting platform

- Measure and report progress and attainment
- Report on engagement levels
- Prepare internal and Ofsted reports
